

QUESTIONS AND ANSWERS

DATE: June 11, 2019

TO: All Prospective Bidders

FROM: Giang Ngo, Buyer III

SUBJECT: IFB P18268 – Light Rail Vehicle Traction Sand

<u>Number</u>	<u>Question</u>	<u>Answer</u>
1	Can an E Safe certification be used in place of the VTA certification after the contract award?	Unfortunately, eRail Safe is for Class 1 railroads, VTA is Class 3 and is governed by the General Orders (GO) of the California Public Utilities Commission. Specifically GO 175-A, Rules and Regulations Governing Roadway Worker Protection Provided By Rail Transit Agencies. . . , making it a requirement that the contractors working for the agency attend the agencies RWP program and pass the administered exams.
2	Is it necessary for the insurance dollar limits requested be submitted at time of bid package submission?	No, Insurance Certification can be collected after contract award.
3	Bid request quality assurance systems policy page 46 of 68 that System manual or current quality program certification shall be submitted in writing to VTA as part of the Bid package for approval. Is this required time of bid.	Yes, this has to be submitted along with the bid.

If you have any questions, please do not hesitate to email me at giang.ngo@vta.org or call (408) 952-4254.

Sincerely,

Giang Ngo, Buyer III
