**TO:** All Prospective Bidders  
**FROM:** Giang Ngo, Buyer III  
**SUBJECT:** IFB P19069– Diesel Exhaust Fluid (DEF)

<u>Number</u>	<u>Question</u>	<u>Answer</u>
1	Can we add the tote deposit to the invoice or would you prefer this was included in our price per gallon?	Tote deposit should to be included in the price per gallon as our bid form doesn't include a deposit cost.
2	If totes are damaged by Agency, our procedure is to add the cost of the damaged tote(s) to the invoice. Is this acceptable?	Damaged totes are to be billed separately for VTA tracking purposes.
3	Can we store more than two totes at each location? What is the maximum totes we can store at each location?	No more than two (2) totes are to be stored at a time at each yard.
4	Does the totes had to come with a 'stinger valve' to connect to the plumbing that goes from the tote to the dispenser?	Please see Attachment 1- Tote Connectors. One shows the connector on the top of the tank, the other showing the connection after it is made.
5	Is it possible to have access or view online DEF pricing under the current contract?	Yes, please see Attachment 2- Current Contract Pricing.
6	Delivery lead times?	Per the Scope of work, we are requesting a five (5) delivery upon issuance of an order.
7	Delivery quantities?	Will depend on needs of each site.
8	Hold pricing for how long, escalations?	Pricing should be held for the year indicted on the bid form.
9	Are we pumping into a bulk tank or directly into 330 gal totes?	We are asking to deliver 330 gal totes and not pumping into the tanks.
10	Do you have a forklift on site for unloading the tote?	Yes, we do.
11	Are performance bonds required for this bid? If so, do you want a 100% performance bond?	No, there is no performance bonds required for this bid.
